Summary of Meeting

- Discussed app progress **_(there has been no app progress)_**

- Here is what we need to work on for the app:
  - Make it work
    - Add website features
    - Load in your pipeline + model
    - Get model prediction working
  - Create a subpage for the EDA (optional)
  - Add extra features to make it look nice (optional)

Timeline
- By next week, we finish the entire app
- The week after we work on presentation
  - Nice github repo
  - Nice presentation (5-10 minutes)
  - Nice demo (the app)
  - Nice execution
- If we finish early, we can do deep learning and spice up our app
  - GAN??????????
